Play to learn SCIENCE

Research tells us children learn best through play. It's only natural that children are more open to learning when they are happy, and more likely to remember a fun experience.

Child care providers are your partners in preparing your child for kindergarten and a future bright with opportunity.

Give your child the best start in life with quality childhood educators that use story, dramatic play and hands-on experience to lead children to learning.

Reach for the stars – visit our website to find star-rated quality early childhood educators.

**FOR YEARS, HAVING A
DISABILITY MEANT BEING
LABELED OR UNDERESTIMATED
FOR THE REST OF YOUR LIFE.**

In every space, individuals would be categorized, written off, or separated. Thankfully, Sunshine School & Development Center was founded with a commitment to seeing potential, not problems.

1 IN 6 CHILDREN

are affected by developmental delays or disabilities, learning disorders, and behavioral & social-emotional delays.

ONLY 20% - 30%

of these children are identified as needing help with developmental delays before school begins.

**EARLY INTERVENTION SERVICES PROMOTE A
CHILD'S AGE-APPROPRIATE GROWTH AND
DEVELOPMENT FROM BIRTH TO 3 YEARS OF AGE.**

Research shows the human brain develops the vast majority of its neurons, and is at its most receptive to learning during this time.

OUR MISSION

Shattering limitations to enable people touched by disability, serving their unique journey through advocacy, therapy, and education.
